

ON LAND

AT SEA

IN THE SKY

IN SPACE

WE TRANSFORM THE PRESENT INTO A SUSTAINABLE

FUTURE

Our Principles

- > We deliver reliable and innovative solutions that make a lasting difference to customers and communities worldwide.
- > We act with integrity and fairness, always respecting others.
- > We constantly strive for excellence in our operations and technology, building on a wide global outlook and deep local insights.

Corporate Identity Statement

This corporate identity statement represents our intention to "continuously provide an assured future where people can live safe, secure, and enriched lives through technologies that can excite people and passion as a manufacturer for the sustainability of the earth and humankind."

MHI Group CSR Action Guidelines

MHI strives to move the world toward a more secure future. Through our technology, our business practices and our people, we:

Care for the planet

We are eco-conscious, and engineer environmentally-friendly technologies that improve sustainability and protect the Earth

Create a more harmonious society

We embrace integrity and proactive participation to solve societal challenges

Inspire the future

We cultivate global talent who share a vision and desire to move the world forward for generations to come

Corporate Aspiration

A global group with the vision to mold an innovative and agile organization that leverages our dedication to technological advancement and engineering excellence in order to deliver solid growth amid constant changes and make a lasting difference in the communities we serve.

Tagline

MOVE THE WORLD FORWARD

The tagline advocates that we to "Move the world forward" together with our global customers and local communities toward a more sustainable future.

Reason for Publishing This Report

MHI Group conducts management based on its firm will to realize its corporate identity statement, "Our Technologies, Your Tomorrow."

To enhance the understanding of our philosophy among shareholders, investors, and a host of other stakeholders, from fiscal 2013 (the fiscal year ended March 31, 2014) we have integrated financial information, including management strategy and operating performance, with non-financial information related to the Group's environmental and social activities into this *MHI Report*.

Forward-Looking Statements

Forecasts regarding future performance in these materials are based on judgments made in accordance with information available at the time this presentation was prepared. As such, these projections involve risks and insecurity. For this reason, investors are recommended not to depend solely on these projections for making investment decisions. It is possible that actual results may change significantly from these projections for a number of factors. Such factors include, but are not limited to, economic trends affecting the Company's operating environment, currency movement of the yen value to the U.S. dollar and other foreign currencies, and trends of stock markets in Japan. Also, the results projected here should not be construed in any way as being guaranteed by the Company.
