Briefings for Individual Investors

We hold small meetings for individual investors in locations throughout Japan, mainly on the major cities. In these meetings, we provide a corporate overview and explain our business strategies, shareholder returns, and other topics. We also conduct factory tours for individual shareholders on a regular basis.

Briefings for Analysts and Institutional Investors

The CFO briefs financial results on a quarterly basis. At the fiscal 2018 financial results briefing, the president also explained the progress of the 2018 Medium-Term Business Plan, a three-year business plan that began in fiscal 2018. In addition, we hold business strategy briefings, small meetings, and factory tours from time to time in an effort to strengthen the communication of various information.

Meetings with Overseas Investors

We visit overseas investors located in North America, Europe, and Asia, explaining our operating performance, management strategies, and other information. Several times each year, we also participate in conferences for overseas investors held in Japan and overseas.

Status of Inclusion in ESG Indexes (As of September 2019)

Selection for Inclusion in Environmental, Social, and Governance (ESG) Investment Indexes

MHI Group promotes management that places emphasis on CSR and is focusing its efforts on various activities and information disclosure from economic, environmental, and social perspectives, starting with corporate governance and risk management. Through these efforts, we have been selected for the third year in a row for inclusion in the Asia Pacific Index of the Dow Jones Sustainability Index, which is a global ESG investment index. We have also been included in the FTSE Blossom Japan Index, the MSCI Japan ESG Select Leaders Index, the MSCI Japan Empowering Women Index (WIN), and the S&P/JPX Carbon Efficient Index, all of which are ESG investment indexes selected by the Government Pension Investment Fund (GPIF).

The inclusion of Mitsubishi Heavy Industries, Ltd. in any MSCI index, and the use of MSCI logos, trademarks, service marks or index names herein, do not constitute a sponsorship, endorsement or promotion of Mitsubishi Heavy Industries, Ltd. by MSCI or any of its affiliates. This year marks our sixth publication of the MHI Report.

In this edition, we communicate our growth strategies in the near term and those over the medium to long term. At the same time, this edition focuses on our vision for efforts related to the environment and society, such as the diversity of our human resources, our response to climate change, and cybersecurity measures.

We hope that this report will contribute to the better understanding of the Company among shareholders and investors, as well as a tool for dialogue.

We look forward to hearing your frank opinions.
