ON LAND

AT SEA

IN THE SKY

FUTURE

WE TRANSFORM THE PRESENT INTO A SUSTAINABLE FUTURE

Corporate Identity Statement

Our Principles

- We deliver reliable and innovative solutions that make a lasting difference to customers and communities worldwide.
- We act with integrity and fairness, always respecting others.
- We constantly strive for excellence in our operations and technology, building on a wide global outlook and deep local insights.

MHI Group CSR Action Guidelines

MHI strives to move the world toward a more secure future. Through our technology, our business practices and our people, we:

Care for the planet

We are eco-conscious, and engineer environmentally-friendly technologies that improve sustainability and protect the Earth.

Create a more harmonious society

We embrace integrity and proactive participation to solve societal challenges.

Inse for the future

We cultivate global talent who share a vision and desire to move the world forward for generations to come.

Corporate Aspiration

A global group with the vision to mold an innovative and agile organization that leverages our dedication to technological advancement and engineering excellence in order to deliver solid growth amid constant changes and make a lasting difference in the communities we serve.

Tagline

MOVE THE WORLD FORWARD

The tagline advocates that we to “move the world forward” together with our global customers and local communities toward a more sustainable future.

Reason for Publishing This Report

MHI Group conducts management based on its firm will to advance the understanding of our philosophy among stakeholders and to communicate our efforts toward a sustainable future.
