MHI Group practices management with a focus on CSR and conducts a wide range of activities to enhance its business, the environment, and society. Thanks to efforts like these, MHI has been selected for inclusion in the Asia Pacific Index of the Dow Jones Sustainability Index (DJSI), a representative environmental, social, and governance (ESG) index. We have also been selected for inclusion in the FTSE Blossom Japan Index and the MSCI Japan Empowering Women index (WIN). (As of August 2018)

**Our overarching goal is to create
an affluent society in which all
people, everywhere, can live
with full peace of mind.**

Today, a myriad of social issues—environmental issues especially—are coming to the fore as never before. In MHI Group, we believe that through our businesses we can resolve such issues, thereby enabling the realization of a sustainable planet.

In order for MHI Group to remain an entity always needed by society, we will continue to address the difficult and complex challenges facing society today, tomorrow, and well into the future. By providing products and solutions consistently responding to contemporary needs, we will confidently make steady contributions to improving the quality of people's lives everywhere.

REASON FOR PUBLISHING THIS REPORT

Keeping its principles and Corporate Identity Statement as its base, MHI Group aims to continue its development alongside the changing world by responding to the present and future issues and needs of society with a variety of technologies and services.

To enhance the understanding of our philosophy among shareholders, investors, and a host of other stakeholders, from fiscal 2013 (the fiscal year ended March 31, 2014) we have integrated financial information, including management strategy and operating performance, with non-financial information related to the Group's environmental and social activities into this MHI Report.
