

Play an active role world-widely in the field of Energy to the Petrochemical Industries.
Produced by Mitsubishi Heavy Industries Compressor Corporation
Centrifugal Compressors and Steam Turbines

A Gas Gathering Compressor

C Charge gas compressors and turbine for Ethylene Plan

H PTA Compressor

I Ammonia/Methanol Synthesis Gas Compressor

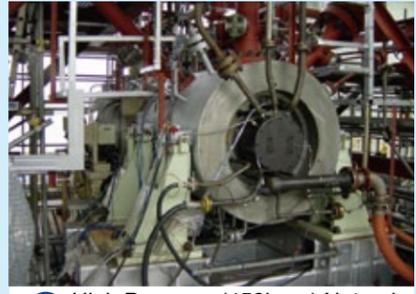

J Fuel Gas Compressor for Gas Turbine

K Pipeline Booster Compressor

L Circulation Gas Compressor for Oil Refinery

B High Pressure (450barg) Natural Gas Injection Compressor

C LNG Production Main Compressor

D CO2 Gas Injection Compressor

E Circulation Gas Compressor for GTL Plant

F Off-shore Gas Processing Compressor
