

# MHI Group Quality Management Policy

**"Driven by quality, committed to respond to the world's expectations."**

- 01** We will provide safe, solid products and reliable services that meet customer needs and promote sustainable growth in society.
- 02** We will each uphold integrity, fairness, and ethics when performing duties to instill a sense of trust in our customers.
- 03** We will strive for the highest level of quality by continually improving our Quality Management System.
