Notice of Loss Recognition Related to Provision for Warranty Expenses for Specific Projects

TOKYO, November 6, 2026 – Mitsubishi Heavy Industries, Ltd. (hereinafter the "Company") announced today that the Company recorded an operating loss (product warranty expenses) related to the Nakoso and Hirono IGCC Plants* in the first half of the fiscal year ending March 31, 2027. Details are as follows:

1. Cause of Loss Recognition

Based on the current status of discussions with relevant parties and the latest technical assessment concerning the Nakoso and Hirono IGCC Plants delivered by the Company in 2021, it was determined that, to ensure stable operation of the power plants, it will be necessary to replace certain components periodically over a certain period going forward.

2. Details of Loss Recognition

In connection with the above measures, in the consolidated financial results for the second quarter of the fiscal year ending March 2027, the Company recorded a provision of 67.5 billion yen for anticipated future product warranty expenses and recognized an operating loss accordingly.

3. Impact on Full-Year Earnings Forecast

This matter has been reflected in the consolidated earnings forecast for the fiscal year ending March 2027, as disclosed today in the "Consolidated Financial Results for First Six Months of FY2026 Ended September 30, 2026 [IFRS]" and the "Notice Regarding Revision of Consolidated Earnings Forecast."
